

Over the past few months, our library system has taken steps to comply with changes in the state and local laws:

- The Rutherford County Library System (RCLS) is governed by our Board of Directors, an 11-member board whose representatives are appointed by each of our funding bodies based population (U.S. Census) as directed by the State of Tennessee. The Board is comprised of
 - 4 representatives appointed by Rutherford County
 - 4 representatives appointed by the City of Murfreesboro (one is a council member)
 - 2 representatives appointed by the Town of Smyrna (one is a town council member)
 - 1 representative appointed by the City of Eagleville
 - Board members are volunteers who can serve two consecutive 3-year terms.
- Our system receives funding from all four governmental entities listed above; RCLS is governed by the Board of Directors.

- Patrons can learn more about filing a reconsideration request at [Request for Reconsideration of Library Material | Rutherford County Library System \(rclstn.org\)](#)
- In an effort to further address local and state laws, the board voted in August 2023 to approve a graduated library card system which will be implemented beginning December 18, 2023. By default, children (birth through age 12) and young adults (ages 13-17) will be limited to their own sections. Parents can opt their children out of this restriction by visiting any of our locations and signing a permission form.
